ADD FEVER TREE

Tonic

+ \$5

Indian Tonic

By blending natural botanical oils with spring water and the highest quality quinine from the 'fever trees' of the Democratic Republic of the Congo, this award winning tonic is created with a uniquely clean refreshing taste and aroma.

Naturally Light Tonic

With only 4g of sugar, this citrus & aromatic tonic delivers a crisp taste balanced by the bitterness of natural quinine.

This is the world's first all-natural, low calorie tonic water.

Recommended with Beefeater Pink or Tanqueray.

Mediterranean Tonic

With almost champagne like bubbles and a blend of the essential oils and the highest quality quinine from the 'fever trees' of the Democratic Republic of the Congo, this tonic is uniquely florally and delicate.

Recommended with any citrus & herbaceous gin like Bombay Sapphire.

Aromatic Tonic

Created to enhance juniper-rich and robust gins. The gentle bitterness of South American angostura bark has been blended with cardamom, pimento and ginger, resulting in a uniquely aromatic flavour with citrus notes.

Recommended with Ink Gin to create the perfect pink G&T.

Elderflower Tonic

Created by carefully blending the essential oils from handpicked English elderflowers with the highest quality quinine.

Enjoy this tonic with floral gins or as a refreshing drink on its own.

Recommended with fresh and floral gins like Hendricks or Botanist.

Sicilian Lemon Tonic

This tonic was created to accompany the finest sloe and sweeter gins. Made by blending fresh lemons, subtle botanical flavours and the highest quality quinine from the Democratic Republic of the Congo, this tonic has a sharp refreshing taste.

Recommended with Hayman's Sloe or Brookie's Slow.

Ginger Beer Tonic

Three types of ginger were selected to create this fiery and spicy full-bodied tonic: earthy & chocolatey ginger from India; green ginger from the Ivory Coast; and a deep intensely flavoured ginger from Nigeria. Careful, this ginger has kick.

Recommended with Jack Daniel's.
